

Model: KP-41T65

No. 478

Subject: Reference numbers are pointing to the wrong screens

Date: April 14, 2000

Symptom:
(XXXX)

Incorrect screens are received after ordering from the service manual. The reference numbers 8, 9, and 10 on page 89 of the service manual are pointing to the wrong screens.

Solution:

Please see the table below for the correct screen location, reference, description, and part numbers.

Ref.	Description	Part Number
8	Contrast Screen	4-064-340-01
9	Lenticular Screen	4-064-338-01
10	Fresnel Screen	4-064-339-01
